

Configuring an iPad to Access Your Lynden School District Email

Go to Settings -> Mail

1. Add Account
2. Microsoft Exchange
 - a. Email = LSD email address (i.e. `doej@lynden.wednet.edu`)
 - b. Domain = `lynden.k12.wa.us`
 - c. Username = your school Windows log in name (e.g. `doej`)
 - d. Password = your password used for your School District email
 - e. Description = use something specific (e.g. Lynden School Email)
 - f. Click Next
 - g. Server = `owa.lynden.wednet.edu`
3. Accept that it cannot verify the server
4. Turn mail on and any of the other options you would like to access (i.e. contacts, calendars, reminders)
5. Save
