

Retirement/Classified Substitute Staff Positions

For each PERS/SERS Retirement eligible position established in the school district, the District has established a corresponding retirement ineligible position. Each classified substitute hired into an eligible position will sign a statement that he/she understands that he/she is being hired into a position that is not eligible for retirement. This statement shall remain in the employee's personnel file.

Adoption Date: February 17, 1994

Revised: November 21, 2000

Adopted: January 8, 2015
