

Configuring an iPad to Access Your Lynden School District Email

Go to Settings -> Mail

1. Add Account
2. Microsoft Exchange
 - a. Email = LSD email address (i.e. SmithJ@lynden.wednet.edu)
 - b. Password = your password used for your School District Windows login and email
 - c. Description = use something specific (e.g. Lynden School Email)
 - d. Click Next
3. It should auto-connect and set all necessary parameters.
4. Turn mail on and any of the other options you would like to access (i.e. contacts, calendars, reminders)
5. Save

Configuring an iPhone to Access Your Lynden School District Email
