

Lynden School District 2016-17

New Student Online Enrollment

Welcome to Lynden School District!

We are pleased to offer **Online Enrollment** for parents/guardians to enroll incoming students to our district. You will find this to be an easy process that can be completed in the convenience of your home. Your application will be submitted to your neighborhood school upon completion of the required steps and once you've clicked to submit the application. Your student's school will then contact you electronically regarding their upcoming Prep Day or Open House (late August) and the required documents you will need to bring in person (birth certificate, immunization records, and proof of residency).

Not sure of your neighborhood school? Click the school bus to see a boundary map of the district.
