Apply now to attend Whatcom Community College's summer 2023 GenCyber camps.

For middle and high school students who want to explore cybersecurity, a rapidly growing, high demand field in the U.S. and worldwide.

Why attend?

- ➤ Enjoy hands-on labs – build a simple network, secure a vulnerable machine, offline password cracking, and much more!
- ➤ Understand correct and safe online behavior.
- ➤ Learn about exciting career and educational opportunities in cybersecurity.
