

The Royal Brougham Foundation Scholarship

The Royal Brougham Foundation Scholarship exists to assist Christian young people, primarily from the Pacific Northwest, who attend Christian educational institutions by providing grants to assist with the costs of higher education.

To be eligible, you must be planning to attend a university in the 2024-25 school year that is a member or an affiliate of the Council for Christian Colleges & Universities.

Factors Considered

- Personal Christian experience as evidenced through experience and observation of others
- Field of study – Priority given to those majoring in Christian service
- Family situation – Priority given if parents are in full-time Christian service. Are any siblings also attending Christian schools?
- Other grants or scholarships – What other financial assistance will they be receiving?

Amount of Grants

- The award amounts vary according to the amount available and the number of qualified applicants
- If you are selected as a grant recipient, you will be notified of the amount in your award letter.
