

Instructions for Registering Online in Skyward Student Access

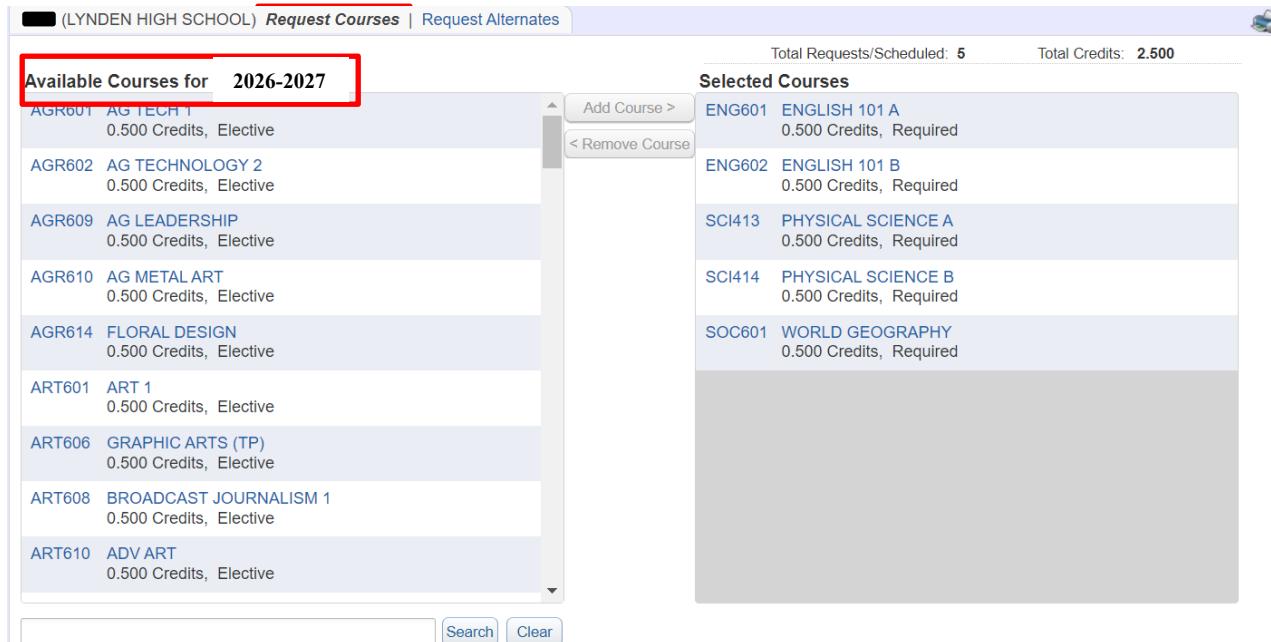

****Online course registration can be entered from any device with internet connection****

- 1) Log in to **Skyward Student Access** using **YOUR** login ID and password. Your parent/guardian's login/password will not allow you to register. There is a link to Skyward on the Lynden School district [webpage](#). If you have forgotten your login info, use the "forgot your login/password" link. If that doesn't work, you will need to contact your school office to have your password reset.
- 2) Once in Skyward, select the **Schedule** tab in the sidebar, then find **View Requests**, above your current schedule.

The screenshot shows the 'Schedule' tab selected in the sidebar. A red box highlights the 'View Requests for 2026-2027 in LYNDEN HIGH SCHOOL' button. The main area displays course requests for Term 2 (11/30/22 - 03/15/23). A yellow box highlights the 'Period 1' section, which shows a class: Algebra, taught by SHERI JANSSMA, Days M,T,W,R,F, Room 2204. Below this is another entry: Algebra Boost.

- 3) You are now on the **Request Courses** screen, where you can add and remove course requests. **Available Courses** are on the left side. These are the courses open to you based on your grade level. You can find a course by typing the first 2-3 letters of the course name in the **Search** box under Available Courses. To view all courses again, click **Clear**.

The screenshot shows the 'Request Courses' screen. A red box highlights the 'Available Courses for 2026-2027' section. The available courses list includes: AGR601 AG TECH 1, AGR602 AG TECHNOLOGY 2, AGR609 AG LEADERSHIP, AGR610 AG METAL ART, AGR614 FLORAL DESIGN, ART601 ART 1, ART606 GRAPHIC ARTS (TP), ART608 BROADCAST JOURNALISM 1, and ART610 ADV ART. The selected courses list includes: ENG601 ENGLISH 101 A, ENG602 ENGLISH 101 B, SCI413 PHYSICAL SCIENCE A, SCI414 PHYSICAL SCIENCE B, and SOC601 WORLD GEOGRAPHY. At the bottom, there are 'Search' and 'Clear' buttons.

- 4) Using your Scheduling Worksheet as a guide, continue adding your course requests including both required and elective courses. To add a request, highlight the course under **Available Courses** and click on **Add Course**. To remove a request, highlight the course under **Selected Courses** and click on **Remove Course**. Make sure you have both **part A** and **part B** selected for year-long courses.

You must select a total of **6.0 credits**. The **Total Credits** tally in the top right corner will help you keep track.

(LYNDEN HIGH SCHOOL) Request Courses | **Request Alternates**

The Request Alternates screen displays both Requests (R) and Alternates (numbered). **3 alternates** are required in case any of your course requests are not available or have conflicts. Alternate requests can be added and removed the same way as your regular course requests.

Alternates should be listed in order of preference (1-3, with 1 being your 1st choice). The order can be changed using the Arrow Up or Arrow Down buttons. The total number of alternate requests is tallied at the top of the screen.
