I agree that when I am offered and accept a scholarship from the Carmen Denson Foundation, the Foundation may use my name, photograph or likeness, the name of my community, the name and address of my school, the name and amount of the award and the name of the post-secondary institution I am planning on attending in press releases, public announcements, and other fundraising or promotional materials in all media to advance the non-profit objectives of the Carmen Denson Foundation.

I understand that I must be attending a technical, community or 4-yr college/University in the Fall following my high school graduation. If I do not attend college, I understand that my scholarship funds will be returned to The Carmen Denson Foundation. However, in the case of significant hardship, a recipient may appeal in writing to the awards committee, who may agree to a deferment.
