

LYNDEN LIONS CLUB SCHOLARSHIP APPLICATION 2026

This year the Lynden Lions Club will award three \$2,000 scholarships to students going to a four year college, community college or a technical school. In keeping with our commitment of service to the community, the Lynden Lions Club awards scholarships to individuals who have demonstrated a **high degree of community involvement**. Because of our organization's motto, "We Serve", we will give priority to those applications fitting this criteria. If you are entering a field that serves others, we encourage you to apply for the scholarship.

Please attach all materials to your cover sheet stating your name, mailing address, phone number, and title of scholarship. Judging is based on the completeness of the six areas on the application. We ask that your name not appear on anything except the cover sheet and your transcript. This way all applications can be considered in a fair and unbiased manner. **Return the application to your school counselor by April 14, 2026.**

1. List your **academic/vocational achievements and special recognition** while in high school. **Include a copy of your transcript**, and show class standing.
2. List any **school involvement** (clubs, music, sports, etc.)
3. List and explain briefly, the **type of community service** you have participated in that was not required or counted toward school credit.
4. What **college or technical school** have you selected, and have you been accepted? When will you start?
5. Tell what **occupation** you are pursuing and briefly explain why.
6. Is there something special you would like us to know about you?

Upon our selection, we will invite the winners and their parents to join us at our Lions Club meeting to receive recognition for being chosen.

Marie Gillies, scholarship chairperson (354-4703)
