Why consider a career in Heating, Ventilation and Air Conditioning (HVAC)?

- ✓ You want a career that helps you make a positive impact in your community
- ✓ You want a job where you're on your feet and not sitting behind a desk every day
- ✓ You don't want to spend four or more years going to school after high school
- ✓ You want to avoid going into massive debt to get an education
- ✓ You want to own your own business someday
- ✓ You want to stay on the cutting edge of new technologies and love working with your hands

Do You Qualify for an HVAC Scholarship?

High school seniors and recent graduates in the U.S. with a minimum GPA of 2.0 who are enrolled or intend to enroll in an HVAC technical program for the entire academic year qualify for a \$2,500 scholarship or a fully sponsored online diploma.
