Senior Portraits:

If you do not submit a custom senior portrait prior to the deadline, we will use the photo taken at the beginning of the school year (the same as you have displayed on their ASB card). Here are some of the basic requirements for the photos:

- The photo can be in color (recommended) or black and white.
- The photo needs to be in Portrait (up and down) orientation, not Landscape.
- Students must follow our school dress code in the portrait. Yearbook photos cannot contain weapons, inappropriate signals and/or references to drugs or alcohol
- *RESOLUTION IS VERY IMPORTANT!* You do not want your photo to appear blurry in the yearbook.
    - **The minimum resolution requirement is 2.25" wide by 3" tall with 300 DPI and JPEG file format is preferred.**
- The student should be easily identifiable, please do not submit photos with the subject far away. Headshots are best and look better in the book.
