

11th GRADE SMARTER BALANCED ASSESSMENT AGREEMENT

MATHEMATICS

In recognition of the achievements of high school students who have demonstrated their readiness for college-level course work, the undersigned universities agree to exempt from remedial coursework in mathematics, without further placement testing, students who:

1. Earn a Level 3 or 4 on the **11th grade Smarter Balanced Assessment** in Mathematics, and
2. Complete the minimum admissions requirement of a quantitative course in the 12th grade, and
3. Enroll in a college-level course that fulfills a quantitative requirement (also known as QSR) as specified by each university, excluding pre-calculus and calculus level college courses, during the first year following high school graduation.

Students who achieve Level 3 or Level 4 may enroll in more advanced mathematics courses through university placement testing.

ENGLISH

Similarly, the undersigned universities agree to exempt from remedial coursework in English composition, without further placement testing, students who:

1. Earn a Level 3 or Level 4 on the **11th grade Smarter Balanced Assessment** in English Language Arts,
2. Complete the fourth-year of the minimum admission requirement in English, and
3. Enroll in a college-level English composition course during the first year following high school graduation.

At each university, students achieving at Level 3 or 4 will be eligible to enroll directly in an English 101, or equivalent, course that meets a general education English/writing requirement.

This agreement will apply to students who complete the 11th grade Smarter Balanced Assessment and are members of the high school graduating classes of 2016 through 2019.
