

Professional Development Calendar

2022-23

The following PD offerings are aligned with district & building vision and goals. These are highlighted offerings, not a comprehensive list. This calendar is meant to inform and is collaborative. If you know of other trainings that align to district and building goals that you would like added to this calendar, please email Molly Mitchell or Julie VanWyjk.

Blue titles are linked to the organization website or information **Green** titles are not linked to external websites.

Ongoing/asynchronous professional development opportunities are listed after the calendar

On Going Professional Development Options

WIDA Professional Learning

Provided by WIDA

Clock Hours TBD

Online – Open to all teachers and paraeducators

9-3pm Seattle

District Contact: Molly Mitchell/Melissa Valley

WIDA is an organization that provides language learning resources to those who support the academic success of multilingual learners.

HERE'S THE LINK:

[WIDA Standards, Assessments, and Professional Learning | OSPI - k12.wa.us](https://www.wida.us/standards/assessments-and-professional-learning/ospi-k12.wa.us)

Scroll down to:

[WIDA professional Learning](#)

Then:

[WIDA self-paced workshops](#)

You will see this list of PD options. All are available for Washington State educators and there is no registration fee. This will prompt you to set up a PD Enroller account. Then you can begin learning. Some are geared towards teachers but introduce strategies that can be modified for the supporting classroom role.

VESi Online Classes

Provided by ESD 189

Clock Hours 35-40

Online – Open to all teachers and paraeducators

District Contact: Molly Mitchell

VESi Online Classes – NWESD 189

The NWESD has partnered with VESi (Virtual Education Software, Inc.) to provide online courses that are available for **35-40 clock hours**. **Course Deadlines:** There is a two-week minimum for course completion. Our academic calendar is September 1st through August 31st each year and you are required to complete your course within that academic calendar. *Please contact VESi directly for further information on timelines and maximum course enrollment per term.*

Below are some of the VESi courses aligning to the LSD mission and vision:

[VESi Educational Assessment: Assessing Student Learning](#)

[VESi Harassment, Bullying & Cyber-Intimidation in Schools](#)

[VESi Teaching Diversity: Influences & Issues in the Classroom](#)

[VESi Teaching Elementary Math Conceptually: A New Paradigm](#)

[VESi Teaching Secondary Math Conceptually](#)

[VESi Why DI?: An Introduction to Differentiated Instruction](#)

[VESi Try DI: Planning & Preparing a Differentiated Instruction Program](#)

[VESi English Language Learner: Language Acquisition](#)

PESB Certifications

Provided by PESBI

Clock Hours 20

Online – Open to paraeducators

District Contact: Molly Mitchell

PESB is the Washington state certification organization. They are working with OSPI and have two free workshops designed for paraeducators to further their learning after completing the FCS.

[Online learning - Professional Educator Standards Board \(wa.gov\)](https://www.wa.gov/professional-educator-standards-board)

Click on this link **above** and scroll down to the information regarding:

- [ELL Subject Matter Certificate](#)
- [Special Education Subject Matter Certificate](#)

It will prompt you to set up a log in to create a student account (OSPI), and then you can enter the course and begin learning. It is set up like a Canvas course. There is no fee for these courses.
