Substitute Employee Access Instructions

Accessing Your Pay, Leave and Other Information

You are paid for work at the end of the following month* (i.e.: work in May is paid at end of June)

Employees access their pay information online by logging into their Skyward Employee Access with their Login ID and password. (This is a different login/password than the one you use to log into the district's computer network or Substitute Online.) This is where you will be able to look at your check, leave and other information.

Click on the **Skyward** tab (center right) on the District website (<u>www.lynden.wednet.edu</u>). The first time you login or if you forget your login/password at any time, click on *"Forgot Login or Password?"*.

You will be directed to the screen below. For employees your school email address will be the address that is in the system. For substitutes, coaches, game assistants, tutors, and summer staff, enter the email address that you submitted to Human Resources with your employment information.

S K Y W A R D°
Forgotten Login/Password Assistance
Please enter your email address or user name. If it matches the email or user name the district has on file, you will be sent an email containing your login and a link that can be used to reset your password.
Email or User Name: Submit Back

You will receive an email that will give you a link to click or paste into your web browser to reset your password. The email will include your login name.

Three unsuccessful logins will cause the system to lock you out. If this happens, you will need to contact Payroll.

Important: To prevent others from accessing your information, do not leave this system open on your computer.

After logging in, select *Employee Access* on the right-hand side. You may or may not have additional choices.

View Paycheck Information – Click on "Employee Information" then "Check History".

You will be able to view and print your payroll information here. Check information will be available by the 25th of each month. Please review the information each month and notify the Payroll Office if you see an error. <u>The</u> <u>actual transfer of funds into your bank account will always occur on the last weekday of the month.</u>
