Lynden School District 504 Small Works Roster Application

Dear Applicant:

Thank you for expressing an interest in Lynden School District's Small Works Roster. In order to be listed on the District's roster, the attached application must be completed and returned to the Facilities Office. Contractors must re-apply on an annual basis or annually submit a letter indicating that information provided in the previous application is still current.

To become a successful applicant on the district's Small Works Roster, certain guidelines must be met. Successful applicants must:

- Hold a current Washington State contractor's license
- Agree to pay the appropriate prevailing wage rate
- File Intent and Affidavits of paid prevailing wages
- Meet and maintain specific insurance requirements
- Meet performance bond requirements
- Must not be debarred from performing work on public works projects
- Accept the Terms and Conditions of Lynden School District Contract

Prevailing wages are required on every project. Costs to file prevailing wage statements with the State of Washington are the responsibility of the contractor. Intent to Pay Prevailing Wage forms must be filed before the first invoice payment is made.

The district maintains the right to remove a firm from its Small Works Roster if it is determined that the firm is not satisfactorily meeting any of the requirements listed above.

Please be sure to provide a valid company email address on your application. The district will rely heavily on this means of communication when notifying firms of quote opportunities and when requesting updated information. It may be helpful to provide a generic company email address that is routinely monitored so you will continue to receive information even if your primary contact has moved on.

If you have any questions about this process, please contact Dawn Duncan, Lynden School District Facilities Office, at (360) 354-8679.
