### Charge Cards

The board authorizes the issuance of charge cards to staff for district purchases, and authorized travel. The board will approve any contract for the issuance of credit cards, including the credit limit.

The superintendent or his/her designee is responsible for the authorization and control of the use of credit cards, subject to final board approval of payments.

Upon billing or no later than thirty (30) days of the billing date, the officer or staff member using a charge card will submit a fully itemized expense voucher including receipts or invoices supporting purchases. Any charges not properly identified on the expense voucher, or not allowed following review by the auditing officer, will be paid by the official or staff member.

Any official or staff member who has been issued a charge card will not use the card if any disallowed charges are outstanding.

The superintendent will establish procedures for the issuance and use of charge cards.
