Start time: 06:35 PM

- Fisher Elementary had the privilege of hosting a meaningful visit with their colleagues from Blaine School District to share insights and strategies around the implementation of CKLA (language arts) curriculum. This included peer observations which allowed visiting educators to see firsthand how CKLA is being utilized to deliver high-quality, differentiated instruction. This collaboration reflects the positive cycle of sharing within our broader educational community. Earlier, Lynden educators benefited from a similar visit to Oak Harbor before introducing this curriculum to our district.. Now, we are honored to pay it forward by partnering with Blaine as they begin their own journey with CKLA implementation.
- Winter sports are in full swing! One highlight of the season so far was that Unified Basketball had their first home game on January 23rd and won the game!
- Lynden High School boys and girls basketball players and cheerleaders visited all three elementary schools to lead a sportsmanship assembly at each school. The high school athletes were able to return to the elementary school they attended and encourage the younger students on sportsmanlike attitudes such as honestly, fair play, and respect for others. Coaches did a great job leading the assemblies and the interactions between the high schoolers and elementary students were fantastic!
