

## THE ROAD TO QMLATIV

### PARTICIPATION IS CRUCIAL

Our Migration team is working hard on data clean-up and learning the new system while beginning support and training of our Office Professionals, Counselors, Nurses and Teacher Leaders.

When user trainings are scheduled, please make every effort to attend. The best way to familiarize yourself with Qmlativ and learn the processes associated with your role is to get hands-on training through district offerings and through assigned courses in the PDC.

By the time we go live in April 2026 our hope is that these initial groups (Office Professionals, Teacher Leaders, Counselors and Nurses) will be Q-experts to help support each other and their buildings in navigating the new software platform.

We have reserved the full PLD Day on March 16, 2026 to allow for building-level teacher training; for teachers by your Teacher Leaders.

Just in time for migration!

## QUICK NOTES

Lynden School District is preparing to transition from Skyward SMS 2.0 to Skyward Qmlativ

Qmlativ will go live in April 2026

Qmlativ is cloud-based, meaning schools can access it from anywhere with a network connection

Qmlativ is the new and updated version of Skyward

Teacher Leaders have been identified at each building and have begun their training journey to bring support to the buildings

## CURRENT STATUS

✓ Data cleanup continues.

🎥 Training videos, handouts, and online tools are being added for all user groups on our website.

Check it out!

## UPCOMING TRAININGS:

Qmaltiv trainings are well under way for some of heaviest user groups. Office Professionals, Counselors, Nurses and Teacher Leaders have all began their training adventure.

If you haven't received a training date yet, don't fret! We have mapped out training content for each groups of Skyward users. Group trainings will continue to be added up to and through March 2026.

November 19<sup>th</sup> - Registrars

November 20<sup>th</sup> - Teacher Leaders

November 25<sup>th</sup> - Attendance Specialists

Please remember that these trainings are invite-only

A FEW ICONS YOU'LL FREQUENTLY ENCOUNTER IN QMLATIV

**Hamburger** - opens up the menu of modules you have security access to.

**Filter** - the filter icon appears throughout the software allowing users to customize their view.

**Home** - clicking this button will return you to the home screen of whatever module you are currently in.

**Knowledge Hub** - opens a menu of help options. Select the "Help Center" option for articles, videos and supports pertaining to the module/screen you are currently using. Also can search by topics.

## CONNECT

Visit the [Qmaltiv webpage](#) for progress updates and training materials specific to your district role.

Email questions to [S2Q@lynden.wednet.edu](mailto:S2Q@lynden.wednet.edu).

Watch for our [monthly "S2Q Update" newsletter](#) at the end of each month – posted online and sent by email.
