- Policy 1610- Conflicts of Interest

Speakers will be recognized by the Board president at the time they are to speak. Each speaker has a maximum of three minutes. It is important for community members to feel welcome and safe during the meeting. Board members listen and learn from public comment, but generally will not respond. Topics raised during public comment may receive a follow up from a board member or the superintendent at a later date as appropriate. The school board does not take public comments on issues related to personnel or individually named staff members. The presiding officer of the board reserves the right to terminate an individual's statement when the allotted time has passed and may interrupt a speaker to require the same standard of civility as the board imposes on itself as specified in Board Policy 1400.
